

Climate Restoration Resolution

- Whereas;** Humanity has an obligation to future generations to restore and maintain a safe climate in which humans have survived long-term;
- Whereas;** The Temple of Utopian Hospitality's mission as a congregation is to: Worship the Universe, Mother Earth, Sacred Divine, and the ancestors. Honor matriarchal religious paths. Bring people to an understanding of a new life through the study of spirituality, genealogy, and biophilia. Serve communities by creating green infrastructure and services that foster regenerative living. Create demonstrational regenerative green spaces in areas heavily impacted by climate change.
- Whereas;** Current CO2 levels are already at 421 ppm and are expected to rise to 450 ppm or higher by 2050, based on current Paris Agreement estimates;
- Whereas;** The International Panel on Climate Change (IPCC) has stated that temperatures corresponding to CO2 levels of 450 ppm or above will lead to grave damage to the ecosystems;
- Whereas;** The human species has never before lived with sustained atmospheric carbon dioxide (CO2) levels above 300 ppm;
- Whereas;** Climate Restoration is the goal of reducing atmospheric CO2 levels to a pre-industrial level (at 300 ppm or below) such that when Net Zero Emissions are reached humankind will have a sustainable planet to inhabit and pass on to future generations;
- Whereas;** There is no climate justice without climate restoration because the poor are the first and most impacted by climate change;

Whereas; Climate Restoration will benefit the people of the world by reducing loss and damage from floods, storms, droughts, and wildfires, while producing positive effects on human and ecosystem health;

Whereas; The Climate Restoration Alliance connects and empowers people and organizations committed to restoring a livable climate, with carbon dioxide levels close to pre-industrial by 2050;

Therefore; The Temple of Utopian Hospitality hereby resolves to join the Climate Restoration Alliance, invite others to join as well, and take action to make Climate Restoration an idea whose time has come;

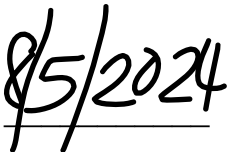

And Also; We call on our global leadership to adopt “*Restore and Stabilize Greenhouse Gas Levels*” as our Common Climate Goal.

Signed: _____

A handwritten signature in black ink, appearing to read 'Keely Lewis', written over a horizontal line. The signature is stylized and includes a large, decorative flourish at the end.

Keely Lewis, High Priestess
Temple of Utopian Hospitality

Date: _____

A handwritten date '8/5/2024' in black ink, written over a horizontal line.
